

Middle School Moratoria for Closed Campuses

Due to projected enrollment size for the 2017-2018 school year, this campus has been closed to NEW transfers, except for siblings of students who currently attend and who will attend this campus next year. Please be aware that if your student is not zoned to this campus or does not already attend this campus on an approved transfer, this campus is closed and will not be accepting any NEW transfer requests.

Please note that if your child(ren) attends this campus as a current transfer student, you will need to complete a transfer form for the 2017-2018 school year by the March 19, 2017, deadline date, should you wish the student(s) to remain at the campus. Transfer requests are approved on an annual basis only, and must be requested each school year.

All requests to transfer/remain as a transfer **must be submitted by the priority deadline date** (March 19) each year in order to be considered.

Please note that a non-refundable \$30 processing fee was implemented beginning Sept. 1, 2011 for any student requesting a transfer, and this fee does not guarantee approval to the requested campus. When the student transfer submission window opens on **Feb. 13, 2017**, please proceed to Leander ISD's [district website](#) should you wish to submit a transfer request for your child. If you do not have access to a computer, please feel free to stop by the campus and use one of the campus computers, or should you need assistance with the transfer application, schedule a meeting with the registrar at the campus you would like your student to attend, so that s/he may assist you in completing this application.
