

## **STUDENT DROP-OFF AND PICK-UP**

To ensure the safety of all students, we ask you to follow our procedures. Students may be dropped off at the North side of our school between 7:25 and 7:45. If your child is tardy, arriving after 7:45, please drop them off in the front drive. Students should not be dropped off in the front drive between 7:25 and 7:45. If you do not want to go through the parents' drop off line, you may choose to park in our parking lot and walk your child to the building. We ask that you never drop your child off in the parking lot. It is very dangerous for children to be walking through our parking lots. Some parents choose to drop their child off along Timberwood Dr. where they can safely walk down the sidewalk and into the front of the building. An adult is on duty to help students cross the front drive. The south side (on Brashear Dr.) drive is our bus loading and unloading area. This is not a student drop off area. Thank you for your help.
