What are my next steps?

Add an Already Enrolled Student to My Account

If your student is already enrolled and you need to access the student's data, click the **Add Student to txConnect** button on the My Account page.

Click [help](#) for assistance.

Remember to have your email address on file at your student's campus, and verify your email address here on the My Account page. This will be needed for new student enrollments and updating student registration data.
