Dear Seniors and Senior Parents,

As the adviser of the Replay, Rouse's yearbook, I'm excited to announce that Photo Texas Photography is the official senior portrait studio for our publication. **Only senior photos taken by Photo Texas will be included in the yearbook.**

The final deadline to take pictures for the 2018 Replay is Nov. 28. However, I encourage seniors to schedule their portraits in the summer to avoid missing the deadline or trying to work around conflicts during the busy school year. Every year, we have seniors who don't take their picture or miss the deadline, and we hate for seniors to be left out of their final high school yearbook.

I also recommend taking portraits at the Photo Texas studio to have additional time with the photographer and more background and attire options. Please note, there are session fees when you take photos at the studio.

If you prefer to take senior portraits at RHS, **Photo Texas will be on campus three times: Aug. 8-9, Oct. 20-21 and Nov. 28.** Please schedule with Photo Texas for the August dates. The October and November dates will be offered on a first-come, first-serve basis, and the sign up sheet will be hanging on the bulletin board outside the yearbook room, the week before pictures.

Photo Texas offers a convenient online system that allows you to schedule your appointment, view your proofs, select your yearbook image and place an order. To access the online system and book your portrait session, go to phototexasphotography.com. Click the senior link at the top of the page, enter Rouse High School's password, Raiders, and click "Create Account." Once you enter basic information, including an email address and contact information, you're ready to go.

Remember, you must be photographed by Nov. 28 to appear in the 2017-2018 Rouse yearbook. If you have any questions, please contact the Photo Texas Photography office at 512-717-7780.

Respectfully,

Mikyela Tedder
Rouse Yearbook Adviser
