VHS Parking Update:

As Vandegrift continues to grow, we will inevitably experience some growing pains. At this time, parking availability has become a hot topic with staff and students. In an effort to promote transparency and enhance communication on this topic, I have compiled a brief Q & A that address most of the pertinent questions. The questions and answers are based on student input, questions, and suggestions concerning parking at VHS. I hope you find this information useful.

Please feel free to read the entire [Parking Q&A by clicking here](#).

In addition, if you would like to ask additional questions, or provide a possible solution, please feel free to provide your input by clicking here: [VHS Parking Input](#)

VIPER CHOIR: The award-winning Vandegrift High School Chamber Choir is traveling to San Antonio, Texas to perform in the 2017 Madrigal Festival Saturday, March 4. Join the VHS choir for a special send-off concert at 6:30pm Tuesday, February 28 at the University Presbyterian Church, 2203 San Antonio St. Austin, Texas 78705.

The performance will include the VHS Chamber Choir as well as four other Austin-Area High School Choirs. Additionally, the VHS choir will perform their Madrigal Festival music at noon in the Capital of Texas Rotunda Friday, March 3 with other choirs from around the state.

VHS PARENT TECHNOLOGY SURVEY

We want to continue to ensure that every parent has a voice in Leander ISD's mission to inspire and equip all students to succeed. In addition to the recent climate survey, LISD would like to hear more from parents about their child's experiences in using technology to enhance learning. The survey is specifically designed to help us determine the impact of technology to improve learning outcomes and focus on providing meaningful experiences that drive student achievement.

This survey should only take 5 minutes to complete. All responses are strictly confidential. No one at Leander ISD will know if you participate or be able to connect you to your answers.

Please click here to take the survey. www.BByt.es/NZ9ZP
