

Cedar Park High School

2017 Graduation Reminders

BEFORE THE BIG DAY:

1. Gown: Remove from bag and hang immediately. If needed, press, using a cool iron (set on silk).
2. Cap: Try it on, make adjustments so cap fits snugly. The cap sits level on your head with the tassel hanging to the left of your left eye.
3. Attire: Ladies: You **DO NOT** wear the white collar that is in the gown package. Wear a dress that will not be too hot. You don't want your dress to be longer than your gown. **DO NOT BRING A PURSE OR CAMERA.** There is no place to store it and no one to watch it, and we would hate to have anything stolen from the marshaling area at CPC. Gentlemen: Wear a dress shirt and a **tie**, dress pants and dress shoes.

YOU ARE THE BEST...Your attire, how you wear your cap and gown, and your conduct will demonstrate the excellence of the Class of 2017.

Please DO NOT chew gum, write messages or decorate your caps (replacement cost for a new cap will be \$15.00), gowns, or shoes. Mortarboards, Tassels and Gowns are required outerwear.
