Hey Leander Lion Family,

It is May, which means graduation is right around the corner. If you have a senior, graduation is literally days away, if you have underclassman, please do not blink because senior year will be here before you know it. In this Insider we will not be sharing all of the great celebrations going on because we have them on our website and twitter feeds. However, we want to make sure you know of some upcoming dates as we close out the 2016-2017 school year.

**Class of 2016** – Parents of seniors an Insider was sent home today with important dates such as graduation, senior awards ceremony, and project graduation. (Students received an email with the same letter).

**Project Graduation** – As we prepare for this great event to celebrate our seniors and provide an alternative to drinking and partying after graduation, I ask that you consider contributing to this cause. Each year we offer this event to our seniors and it is a great way to celebrate safely and responsibly. If you would like to contribute or participate please contact Ms. Plein at [vpleinpg16@plein.org](mailto:vpleinpg16@plein.org)

## **Teacher Appreciation Week**

If you have not had the opportunity to celebrate and thank our amazing teachers please take the time to say thank you. I am sure they would appreciate it. If you would like to contribute we will be having an end of the year party for our faculty & staff and give away door prizes. Last year you all made it a memorable event and I ask that you take part in celebrating our teachers. No gift is too small. (We will send another reminder as get to the last week of school).

Again THANK YOU all for the continued support of our students, staff, and our school. You all make us great and we are honored to serve you! Looking forward to finishing strong! So proud of our LION Family! THE Leander High School! #LionPride
