Hello Leander Lion Family,

Welcome to the 2015-2016 school year! This has been an incredible week! The students are excited to be back and the teachers are passionate about teaching our students. There is just a positive atmosphere and vibe in the halls and I love it!

This week we are meeting with each grade level to review expectations and provide clarification on how to be a Lion. We have shared and will continue to share our expectation of 110% in all of your classes and in any club or organization you serve with here on campus. Our goal is to have well-rounded students who can be successful contributing members to society when they leave our school.

Below you will see some of the major events we have coming in the months of August and September.

The parade will start at Leander High School and move throughout the community, ending at Leander HS with food, fun, and the arts. We hope that you will come out and join our students, teachers, and community in this family fun event leading to our Homecoming Game - Friday, September 11th.

We are looking forward to a truly amazing year! We are so excited about the great things that are in store for THE Leander High School. #LionPride
